3917 West Road, Los Alamos, New Mexico 87544 | 505.662.4201

Our role as a leading provider of healthcare and economic support for our neighbors is driven by our mission of Making Communities Healthier®. We are privileged to call this vital community home and proud to be part of a national diversified healthcare delivery network that allows us to continue to enhance how we care for those we serve.

The support of LifePoint Health and community partners like you help us to advance our mission and create places where people choose to come for healthcare, physicians want to practice and employees want to work. Thank you.

— Tracie Stratton, *Interim CEO*

## In 2021, we...

...added 26 affiliated  
and telemedicine providers

...made more than \$1 million  
in capital improvements

...distributed a payroll of \$21,604,703  
to more than 230 employees

...donated more than \$3.1 million  
in services to those in need

...paid \$3,943,706 in taxes

**Inviting the best possible providers** into our community and supporting them is essential to ensuring access to high quality care. This year, we added providers in internal medicine, teleneurology, behavioral health, radiology, ENT, pediatrics and more.

**By continually investing in our facilities,** we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included new OR monitors and security cameras for enhanced patient monitoring and safety.

**We strive to create an environment** where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high quality care and service.

**Delivering care to all of our neighbors,** regardless of their ability to pay, is foundational to our mission and our commitment to our community.

**We are proud to be a leader in our region,** and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

**Los Alamos** employees wear red to raise awareness for heart health.

**Los Alamos** staff prepare to administer COVID-19 vaccinations.
